Yes, I want to adopt a horse!

*Your support enables us to rescue, care for,
rehabilitate, and place the animals we save.*

The horses we've rescued are available for adoption to permanent and loving homes. We have given them a second chance at life and they are sound, trained, and ready to make room for other abused or abandoned equines. In order to qualify for an adoptive horse, caretakers must sign a contract promising to never harm, abandon, mistreat, loan or sell the horse while under their care.

If, for some reason, the adoptive caretaker can no longer provide for the animal, Shilo's Inn requires that we approve the horse's new placement or that the horse be returned to our premises. We will always welcome them back! To begin the qualification process, please fill out the form below.

Our adoption fees — also tax-deductible donations — range from \$250 to \$2500 per horse, depending on the animal's level of training, temperament, and history of abuse or abandonment.

We also invite you to sponsor or foster a horse and/or to make a tax-deductible donation!

Every adopted horse makes room for an equine in desperate straits. Thank you so much for your support!
