### Yes, I want to volunteer!

*Your support enables us to rescue, care for,  
rehabilitate, and place the animals we save.*

There's no glory in volunteering to care for rescued animals – except how it makes you feel in your heart – so thank you so much for considering volunteering for the horses of Shilo's Inn.

Volunteers are encouraged to help us in a number of ways. The obvious, of course, is to come out to Shilo's Inn (by appointment only) and participate in the rehabilitation of rescued horses. The recovering animals need lots of attention, physical therapy, grooming and medicating, as well as basic equine care such as stall- and pasture-cleaning, bathing, etc. The ranch itself always welcomes maintenance and repair work, such as fence-mending, painting, gardening, landscaping, tree-watering, mowing, seeding, and construction of needed shelters, pathways, and shade shelters. If you specialize in farm work of any kind, please do pitch in!

If you have a special trade – such as photography, graphic design, grant writing, etc. – we could use your help. Your talents are invaluable in our continuing quest for donations and grant support. If you are an equine veterinarian or farrier, please allow us to take advantage of your skills (your work is a tax-deductible donation).

*Fax or mail this form to the address below. Thank you for your unselfish interest in helping us help horses!*
